

# I Spy-Washington DC

## August 7 – 13, 2022

Welcome Agents!

Our adventure will begin Sunday evening with “Docktails” and our traditional Potluck dinner on the docks at Colonial Beach Marina. Please bring a dish to share. Plates and flatware will be provided. You are welcome to eat on the dock or on your boat. Due to circumstances beyond our control there will be no seating options available at the marina so we had to modify our plans. You will receive a Top Secret packet at dinner...for your eyes only!!!!

On Monday we will cruise up the Potomac and dock at The Wharf in Washington DC. Be on the lookout for agents disguised as ordinary VYC members, who will deliver information and instructions to your boat or hotel room. Please join us for “Docktails” followed by Pizza and 007 Cupcakes on the dock. Once again we will not have seating available. Come pick up your pizza and enjoy eating on your boat with friends!

On Tuesday we will meet at The Spy Museum where we will be broken up into teams for a tour and scavenger hunt. Lunch will be on your own. Agents will have a debriefing at the 5:30 “Docktails”. Dinner will be on your own.

Wednesday will be a free day for you to explore and enjoy The Wharf and local areas. There are lots of fun things to see that are within walking distance or a quick trolley ride. We will leave from the Wharf at 5:30 for Casino Royale night at MGM Casinos. We will have drinks and dinner and then agents can disperse and investigate on their own. Transportation back to the marina will be provided. For agents who prefer to stay longer...you will need to Uber or call a taxi. Feel free to wear finest 007 apparel! Good luck agents.

Thursday we will meet at the Bible Museum at 10:00. It is about a 20 minute walk from The Wharf. Transportation will be provided for those who have requested a ride at an additional cost (\$10.00 roundtrip). We will be broken into two groups. A box lunch will be provided. “Docktails” will give agents a chance to debrief. Dinner on your own.

Friday is a free day to enjoy on your own. We will meet at 6:00 and travel to the Washington Nationals ballpark. Dinner will be on your own at the ballpark. Transportation back to the Wharf will be provided at 9:30.

Saturday your mission is complete! Safe travels...Godspeed!

## Optional Tour

The tall ship Providence is currently docked at The Wharf and is scheduled to be there all summer. Providence is a fully functional reproduction of the 1<sup>st</sup> ship authorized by the Continental Congress during the American Revolution. For those of you with some background on our 1<sup>st</sup> Congress, surprisingly she floats. Tours are available on Wednesday thru Friday between 1:00 and 6:00PM at a cost of \$12.88 for seniors and military. She was featured in Pirates of the Caribbean. We can add this to the agenda on Wednesday, Thursday (after 2:00) or Friday. She is docked about 150 feet from our docks. If interested, tickets need to be reserved in advance.

I, we are interested in a tour of Providence.
