

DIAMONDS IN THE SKY

JUNE 8 - 11, 2023

NORFOLK YACHT CLUB

Join us for "DIAMONDS IN THE SKY" as we cruise to the Norfolk Yacht Club June 8 -11. We will be in Norfolk the same weekend as Harborfest, so we have lots of fun and new experiences planned as well as free time to partake of Harborfest activities.

THURSDAY, June 8th

Cocktails and dinner at Norfolk Yacht Club

FRIDAY, JUNE 9th

We will have a private tour of Norfolk Naval Station and tours of at least one US Naval Vessel homeported there.

Lunch at Norfolk Yacht Club

Free time to see the Parade of Sail and enjoy Harborfest.

SATURDAY, JUNE 10

You will have the opportunity to be hands on in the same ship simulators the US Navy uses to train their ships officers. Take the helm of a destroyer, aircraft carrier or other vessel and see how it feels to be the Captain on a US Navy warship!

Afternoon free to enjoy Harborfest.

Cocktails on the dock and then our DIAMONDS IN THE SKY dinner cruise as we board the "Virginia Elite" a 100' yacht, where we will have dinner then see up close the Harborfest fireworks extravaganza before heading back to the Norfolk Yacht Club.

SUNDAY, JUNE 11th

Departures at Captains discretion

IMPORTANT: We will have a short registration period and hard deadline date as we must submit names and social security numbers to the US Navy weeks before our visits to obtain the necessary security clearances. Once the list is submitted, we will NOT be able to add names! When registration information is sent in April due not procrastinate!

For reserving a slip please call: NYCC Harbormaster Edison Cedeno at 757-374-1676 or email harbormaster@norfolkyacht.com

More detailed information to come but HOLD THE DATES and get ready to take the helm of a US NAVAL WARSHIP! .
