

Rappahannock Rendezvous

September 5 - 8, 2024

The Tides, Irvington, VA.

Please join us as we return to the Northern Neck for a Rappahannock Rendezvous with new and old friends! Our home port will be The Tides Inn on beautiful Carter Creek. The Tides is undergoing a dramatic transformation and their new dining venue, especially the former Chesapeake Club which has become Salt and Meadow has a spectacular new look and menu.

Thursday evening, we will make our way to Indian Creek Yacht and Country Club where we will have cocktails and hors d'oeuvres on the dock at the club's marina. Following our social time, we will take a short walk to the Club House for a seated dinner complete with wine. (Golf carts will also be available). Transportation after dinner will be provided back to the Tides.

Friday we will head to the Compass Entertainment Complex where we will have lunch in their remodeled restaurant and hear about the "games" to follow. We will have a "Miniature Golf Tournament" and our own "Rappahannock Grand Prix" with go carts. Nice prizes to the winners! Transportation back to the Tides for free time before "Docktails". Dinner that evening is on your own. Please see the list of restaurants.

Saturday morning you will want to take the nice walk from the Tides to the Irvington Town Green where the monthly "Farmer's Market" will be held from 9 to noon. This is a very popular event and worth the stroll down King Carter Drive. That afternoon the Mary Rebecca a 41' Chesapeake Deadrise will offer tours of Carter Creek with its many coves and beautiful homes dotting the shoreline. They can only take 18 at a time so please indicate if you want to go on the tour on the reservation form. Following the deadrise tours we will go across the creek to the home of Carolyn and Randy Graham which has a wonderful lawn with big trees and quite the view of the creek. Randy is currently the Commodore of Indian Creek's Yacht Club and many of their members will be joining us for the evening. Their son David, who is a very accomplished pianist, will be playing for us as we enjoy our wine and beer along with heavy hors d'oeuvres. It should be a wonderful late summer evening of fun, fellowship and food in a not to be missed setting. (Yes, just in case of inclement weather we have a backup location.)

Not coming by boat there are GOOD OPTIONS. There are lots of Airbnb and VRBO accommodations in Irvington and the surrounding areas. Get some friends together and rent one as your home base for the long weekend. Of course you can always stay at the Tides itself!
