

THREE RIVERS ---THREE TIMES THE FUN!

September 3-10, 2025

Do you see those yachts headin' up the Bay?

The Virginia Yacht Club is underway!

Some are goin' fast and some are slow

To the Patuxent, the Chester and the Pa tap sco!

Our adventure begins on Wednesday, September 3rd, as we set out for River #1, the Patuxent, cruising to Solomon Island and our port of Spring Cove Marina. Tonight, we will enjoy Docktails and a catered dinner by FLAVAZ. Entertainment will also be provided for our listening and sing-along pleasure.

Thursday, September 4th, finds us navigating River #2, the Chester River. After we dock at Chestertown Marina, we spend the evening on the Chester River Packet Boat, sitting back and enjoying the river sights and learning some history of the beautiful Chester River. Drinks and a catered supper aboard complete this delightful evening.

Friday morning, September 5th, has us heading to the Sultana Education Center for a presentation by Chris Cerino on the history and the future of the SV Sultana. Lunch is on your own today, but Docktails and "Heavy Bites" bring us back together at the Cerino Center Captain's Lounge.

On Saturday, September 6th, should you be interested, the popular Chestertown Farmers Market will be in full swing. Lunch is on your own and then we gather at 1 pm at the Boardly Historical Society for a docent-led walking tour of the town. Following Docktails tonight, dinner will be served at Chestertown's top dining venue...the Watershed Alley Restaurant.

Sunday morning, September 7th, finds us casting off lines and heading to our 3rd, and final River, the Patapsco, with Baltimore's Oasis Harbor East as our destination. After Docktails, dinner tonight is on your own. For your convenience, 7 pm limited seating reservations have been made at five close by restaurants for you to choose from, if so desired.

Monday, September 8th, promises to be a busy day beginning with a guided walking tour of historic Fells Point, culminating with a fun trivia challenge and family style luncheon at Maximon. Docktails will be served in the early evening and then dinner is on your own should you still be hungry.

Tuesday, September 9th, finds us exploring the fascinating Museum of Industry. Lunch will be on your own and we will conclude our wonderful time together with a delightful dinner at one of Baltimore's top Italian restaurants...LaScala. A mini-Bocce Ball Tournament (friendly competition) will occur during cocktail hour to sharpen our appetites.

Departure is Wednesday, September 10th, with all of us heading back to our home ports. Hopefully the places we saw, the things we did and the delicious food we shared will be wonderful memories of our explorations of three beautiful rivers as we cruised Up the Bay 2025!

Fair winds, calm seas and safe travels to all.

Thanks for joining us.

Your Cruise Directors,

Jim & Mary Ann Burritt

Bud & Janet Frenck

Barrie & Mary Ann Ricketts
